### **January 2020 Prayer Letter**

Dear Prayer and Fasting Partners,

Each year, we set a series of large prayer requests (mountains) that we ask God to move during the year ahead. These are things that only the Father can accomplish, so we ask BIG! Please pray for these items during the month ahead (and we will focus on them throughout the year). Thank you for your prayers, let's keep our eyes open for surprises from the Father in 2020.

#### **2020 Prayer Mountains**

##### **Church Planting**

- Parenting: The first Parent Church Network has three of the six churches pregnant by the end of 2020. A second cohort begins in fall 2020.
- Chicago Initiative: A plan for starting churches in the city of Chicago is developed for implementation.
- 7 Churches are planted: 3-4 in Chicagoland / 3-4 outside our region

##### **Planters**

- Non-Traditional Planter Training System launched. First cohort begins in February 2020, second cohort starts Fall 2020. The goal will be to have 20 planters in this program between the two cohorts. Out of this system, we will identify 7 planters who will start a variety of churches.
- Identify 10 planters for our traditional church planting model.

##### **Partners**

- Three part-time field representatives for Ignite deployed across the region. Goal is to raise an additional \$30,000 by year's end.
- 100 participants in Ignite's 100 Club. This new partner initiative will fund special projects. Participants in the club will commit to giving \$100 four times annually.

I believe in the words of Jesus from Matthew 17:20, let's pray for the Father to move these mountains,

Lance
